Yearly Health Screening:

Form LIC 701- Physician's Report will be required annually upon enrollment to encourage your family to visit the physician year and verify all immunizations are updated.

NAP TIME at CCP (Daily 12:30 pm -2:30 pm): Rest is important for growing little bodies. By licensing regulations, we are required to provide all full day children a quiet rest time each day. At CCP our nap time is 12:30-2:30 pm every day, rooms 101 and 102 will nap from 1:00- 2:30. The staff can not wake a sleeping child by touch, as it infringes on their personal rights. Our naptime is two hours, they must lay down quietly and not disrupt others. For reasons of health and safety, **State law requires that the following items used during nap time be provided for your child daily.** We recommend a toddler size sleeping mat, often found on Amazon (nap mat should be age-appropriate for students to easily roll up on their own).

State law **prohibits the use of pillows** for health and safety reasons.

CCP Dress Code: Please ALWAYS label belongings with the child's first & last name

What to Wear: Your child should wear comfortable play clothes and supportive shoes with rubber soles, all of which fit properly (not too small or too big). This will allow your child to easily play and use the bathroom while at school. All clothing items worn should be easy for your child to take on and off, button, snap or zip themselves, and easily washed. In order for each little girl to experience complete freedom during our outdoor play, **we request your little girl to wear shorts or tights under all dresses and skirts.**

Change of Clothing in bucket: Please place one change of clothing in a gallon size Ziplock bag to remain in the bucket until needed. Please include socks. Clothing should be marked with your child's name and remain in your child's bucket. Change as the weather changes and as the child grows.

Seasonal Clothing: light sweater or jacket is often needed. Mornings and late afternoons can be cool.

- **Spring/Summer** - Cooler clothing should be worn, especially in summer.

CURRICULUM & HOLIDAYS: Christ Community Preschool offers a Christ-centered curriculum. All activities relate to our teaching in God's Word, the Bible. Because we feel so strongly about the Bible, our holiday curriculum is biblically-centered.

- **Halloween** - Focus point is harvest time, we know that dressing up is fun for preschoolers so we have a Literary Dress up day on Halloween, i.e favorite book character.
- **Christmas & Easter** - Focus point is the birth of Christ. Focus point is the birth and death and resurrection of Jesus Christ. Santa Claus and the Easter Bunny **do not play a part** in our curriculum. Please understand that we do not teach against the secular traditions, but our emphasis is Biblical.

Academics at CCP: Three old classrooms are developmentally appropriate exposure to letters, numbers, colors and shapes. We use the Abeka program for our preschool classroom curriculum. Our two pre kindergarten and Junior kindergarten classrooms focus on Kindergarten prep. mastering letters, numbers, phonics and manuscript writing from top to bottom. The whole school is on the same academic plan each month, just teaching and learning at each level.

CHAPEL at CCP: The Bible is taught daily in the classrooms. We are studying the Bible from Genesis - Revelation. Twice a month, all of the children and staff go to the main sanctuary for an age appropriate Bible lesson taught by one of Christ Community Church's Elders or other Ministry leaders from CCCLH.
